

Edge Camp Hidden Lake Agreement

June 9-14, 2025

1. Each teen attending Edge summer camp is strongly encouraged to attend our weekly Edge Nights regularly. Teens in 5th grade are an exception, as the Edge program is not open to them until the start of the summer of 2026. Our Edge weekly gatherings are on Wednesdays from 6-7:30 PM, and you can view the calendar online. Deposits are non-refundable and non-transferable to any other teen or Life Teen/Edge event.
2. If a family is receiving financial aid from Ascension, it is required that the teen and/or parent guardian commit 3 hours of service to one of the listed ministries at Ascension per teen that is attending camp (Life Teen or Edge Camp). If this obligation is not met by May 1st, the granted financial aid may be withheld. Our hope is that we will be able to give back to our parish community which so graciously supports our teens financially each year. The list of ministries to volunteer with at Ascension can be found on our website, lifeteen.ascensioncatholic.net, or in your email. Once the hours have been completed, please write which dates and hours you volunteered, have the ministry leader sign it, and return it to me. If a family is not receiving financial support from Ascension Catholic Church, the service hours are not obligatory for their teen to attend camp.
3. If at any point a teen is disruptive or not cooperative at Edge, we reserve the right to notify the parent/guardian, remove the teen from our camp list, and release the spot to another teen.
